**COMMENTS ON STATEMENT  
OF REASONS FOR ALLOWANCE**

Dear Sir:

Responsive to the Notice of Allowability mailed November 17, 2004, Applicant submits the following remarks responsive to the Examiner's Statement of Reasons for Allowance.

**James J. Cigelske Jr.**

**U.S. Serial No. 10/065,774**

**REMARKS**

In response to the Examiner's Reasons for Allowance, Applicant believes that the Examiner's Statement of Reasons for Allowance is only directed to claims 1-8, and not 12-20.

The patentability of claims 1-8 and 12-20 lies in each claim as a whole. That is, a single particular element or feature of a claim does not define the claim's patentability, but rather, it is each of the elements and the interconnection therebetween that define that which is claimed. The claims cannot be considered to be limited in scope based on this brief statement by the Examiner. Further, the Examiner's statement regarding claim 1 does not apply to claims 12-20 and cannot be used to interpret any of those claims.

Entry of these remarks is appreciated and Applicant cordially invites the Examiner to contact the undersigned, should the Examiner consider any matters unresolved.

Respectfully submitted,

Timothy J. Ziolkowski
